RECOMMENDS THAT CITY DO OWN STREET WORK

Superintendent Cozad of Santa Rosa Was in Sonoma Sunday and Advised Asphalt Concrete by Day Labor.

Street Superintendent E. W. Cozad of Santa Rosa came to Sonoma last Sunday at the invitation of the City Trustees to look over the local situation and make recommendations as to the construction of the paved streets as provided for at the recent bond election. Mr. Cozad did not hesitate to state that he believed Sonoma could put in the asphalt concrete type of pavement within the money voted if the city does the work itself. He advised immediate preparations to carry on construction, the acquirement of a heating plant and the crushing of necessary rock. He believes that with everything prepared the work can proceed in the Spring and be rushed to a speedy completion.

In the interim, as soon as the first rains comes, the City Trustees plan to scarify the main thoroughfare and make temporary repairs for winter travel. Asphalt concrete cannot be put down in wet weather and it is therefore deemed advisable to wait until Spring for the installing of the permanent streets. Immediate steps will be taken however to get everything in readiness for the new thoroughfares for which the funds are already available.

RALPH BUCHAN WEDS IN HAWAIIAN ISLANDS

The Young Chief Pharmacist Leads Pretty Miss "Betty" Johnson to Altar.

Ralph Buchan, Chief Pharmacist in the Navy, stationed at Pearl Harbor was married on September 10th to Miss Elizabeth M. Johnson, a pretty girl of Sioux City, Iowa. The wedding took place in the Islands and was attended by many of the navy set.

Ralph Buchan is a former Sonoma boy, son of Mrs. Kate Buchan, and grandson of Mrs. J. A. Poppe, the wealthy pioneer resident of the valley. He has made a splendid record in the service and is a young man highly esteemed by all who know him. During the war he was stationed at Mare Island and at San Diego and while at Vallejo commuted between there and Sonoma that he might be home with his mother and folks here. Some time ago he was transfered from the South to Pearl Harbor barracks.

At the home of a mutual friend he met Miss Johnson from the good old U. S. A. and it did not take long for the young officer to win the heart and hand of the fair Iowa girl.

During a recent visit of Miss Elizabeth Davis and Miss Trueblood to the Islands they met Mr. Buchan's fiancee and describe her as a most charming girl. The Californians were nicely entertained while there by the Chief Pharmacist and his friends.

Bride and groom are touring the various islands of the Hawaiian group on their honeymoon and a cozy home awaits them at Pearl Harbor, where they will go to housekeeping.

J. B. Small, one of the staunch Democrats of the town, attended the Senator Phelan meeting at Santa Rosa last Saturday night.

PROMINENT SONOMA MATRON IS MARRIED

Mrs. Evangeline Dodge and Carl M. Gardner of San Francisco United in Marriage Friday of Last Week.

Mrs. Evangeline Dodge, daughter of Mrs. Mary Carter and sister of the late Mrs. Robt. Hall, was married in San Francisco Friday of last week to Carl M. Gardner, a prominent businessman of the metropolis. The wedding which was a quiet one came as a surprise to the family here although the friendship which culminated at the altar has dated back some years and Mr. Gardner has been a welcome and frequent visitor at the handsome country home of the Carter-Dodge families south of town.

Mr. and Mrs. Gardner came to Sonoma following the ceremony and were guests at the ranch over Sunday returning the first of the week to engage an apartment in San Francisco where they will reside.

The big house on the ranch will be closed for the winter as Mrs. Mary Carter left for the East this week on a visit of some time, and Mr. and Mrs. Neal Dodge are settled in their artistic cottage where they are making their home.

The popular matron who is now Mrs. Carl Gardner is possessed of unusual charm of manner and is a handsome and stately woman. She is the mother of Neal and Richard Dodge and Mrs. Shirley Baughn. At the death of her sister, Mrs. Hall, she inherited considerable property including her share of the extensive Hall orchards.

Mr. Gardner is superintendent of the Union Ice Company and a widower with an interesting family. Sonoma friends of Mr. and Mrs. Gardner will extend hearty congratulations.

CITY TAX RATE IS SET AT $2.24

Higher Rate Made By Trustees To Meet Bond Interest and Redemption.

The Sonoma City Trustees met Tuesday evening and fixed the tax rate for the fiscal year at $2.24 on the $100. The budget provides $.282 for city hall and sewer bonds, .858 for streets, .10 for library and $1 for the general fund.

The assessments were also raised this year so the revenue from the new tax levy will be considerable.

Bond interest and redemption including the interest on the $57,000 recently voted for streets and sewer must be met by the city dads.

Property owners will find that the high cost of owning is no mere trifle this year when they pungle up the $2.24 city tax plus the $2.35 county tax, making a total of $4.59 inside the incorporated town..

The assessed valuation this year is divided as follows: Real Estate Improvements and Securities $633,100 Unsecured Personal Property $24,800, Operative $30,191.

COUNTY ENGINEER ALDRICH RESIGNS

Lack of Cooperation Given As Reason in Resignation Accepted By Supervisors.

County Engineer Lloyd Aldrich tendered his resignation to the Board of Supervisors Tuesday. It was accepted, the Board, with the exception of Supervisor Charles, voting Aye. It is said that Supervisor Weise, Doss and Charles would have stood by Aldrich but that at least Supervisor Weise though it better in the interest of harmony for the Engineer to sever his connection with Sonoma County road work. Aldrich was thoroughly convinced that it was better for him to resign.

MR. WICKHAM AGAIN QUITE ILL

Section hands on the S. P. near Merazzo station found a dead tramp lying along side of the tracks where he had evidently laid down and died some time Sunday. Coroner Phillips was notified and dispatched his deputy H. F. Bates to the scene. The body was brought here and an inquest held, the death being ascribed to natural causes.

The unknown carried his blankets but there were no marks of identification whatsoever on any of his effects.

A nameless grave in Valley Cemetery claimed the wanderer who crossed the Great Divide, his last journey, unwept and alone.

Mrs. Isabelle Harvey was here this week on a short visit to her mother before leaving for an extended trip to Southern California.

PETALUMA SINGS ALDRICH'S SWAN SONG

Petaluma has been singing County Engineer Aldrich's swan song—composing crocodile words to his elegy and expecting us all to join in, to the tune presumably of all the good money Aldrich has spent since coming to Sonoma County. It may console him upon the eve of his leavetaking from these parts to know that he was not unwept or unsung.

The County Engineer's leavetaking or dismissal, whatever you chose to call it, is but the natural outcome of the events brought to a crisis at the recent election. Aldrich's severance of relations with Sonoma County does not reflect discredit on his technical ability as an engineer but it does show up his administrative capacity and judgment to poor advantage. It was never intended when County Engineers were thought of as a panaceae for poor roads that they should come into a county and czar it over all officialdom. Yet with the introduction of the new system into this county, it became apparent from the out-set that the County Engineer wanted a free rein, and no questions asked. He also wanted a big staff at princely salaries, and free access to the county exchequer. It was obvious that the law creating the new position when filled by high strung, high notioned young men was particularly in need of more exact interpretation and when the Reams Act was called into question by the District Attorney and later upheld by Judge Seawell, the Engineer's latitude and limitations were clearly defined. That part of the recent controversy should have borne beneficial fruit and would have probably, had not sinister factions and self seekers marked Aldrich for the scape goat and saw thru him a chance to profit to their advantage. As a result they got behind the County Engineer and with what he imagined was all powerful backing he went the limit to attain the free rein which was ta make him master of the road situation in Sonoma County. When the District Attorney crossed his path, battle royal began, to have that official summarily removed drummed out of office to the scrap heap. In this proceeding the County Engineer figured altogether too largely and wandered far afield from the manifold duties of his office to busy himself with dirty politics. He seems to have had no conception of the light in which he placed himself as he waged this personal fight on an old and thoroughly accredited official of our county.

The people were only concerned with an Engineer who could and would build roads in the proper manner and a District Attorney who saw to it that all money expended was spent properly and according to law, taking such steps as were necessary to stop any shady practices. That the people wanted just that was shown at the recent election.

If it is against Lloyd Aldrich's principals to abide by the ideas which the people insist upon, it is well in the interest of efficiency, economy and harmony that he seeks new fields which may be more compatible with his temperment. He should profit by the lesson learned in Sonoma County mind his own business, (a good one), obey the law and avoid the entanglements of petty political rings which have proved the undoing of many an innocent "duck" Petaluma may console herself with the knowledge that there are other technical engineers of ability who can well serve Sonoma County, and though the Egg City may not have the friend at court that she would have had in Mr. Aldrich, nevertheless all her legitimate claims to road development and upkeep will be properly taken care of—a great deal more harmoniously and more expeditiously too, than if she hatched dark plots to further her program. Incubate some good ideas Petaluma Don't try and tar good officials while seeking to whitewash your favorites, and perhaps in time you can get back on the good old fashioned friendship basis with Sonoma County.

My, my but this chucking beruffled lusty hen all set up over its egg basket is getting positively disagreeable and hard to manage! We suppose the only way to break her up is to divide the county. Cluck! Cluck Tut! Tut!

COUNTY CENTRAL COMMITTEES ORGANIZE

Messrs Geo. Breitenbach, A. L. Monotti and Angelo Beretta, local members of the Republican County Central committee, went to Santa Rosa Tuesday and participated in the organization of the various districts and election of officers. H. W. A. Veske was chosen president, J. E. Iobeley, Secretary, and Walter Price treasurer. The Republican organization passed a resolution advocating that a Republican Congressman's name be written in on the ballot at the November election, a performance judged rather ludicious outside of ultra partisan circles.

The Democrats also met and organized this week, R. Emparan, Joe. B. Small and Mrs. Jack Murray being the committee participating from Sonoma. M. E. Cummings of Healdsburg is a representative of Tammany power in his section of the County.

Joseph Vella visited his wife and little daughter in Oakland over Sunday.

ARNOLD KEECHLER VISITOR HERE FROM HOLLISTER

Arnold Keechler and wife of Hollister, San Benito county, have been visiting Sonoma relatives. It was Mr. Keechler's first visit here in five years. He came to see his brother Superintendent Joe Keechler of the Jones ranch, and his sister, Mrs. J. Steiner of the Union Hotel.

The Hollister visitor is a prominent dairyman of San Benito County and says that everything is prosperous and booming in his section of the state.

Mr. Keechler lives close to the seed farms, some of which are the largest in the world. His nearest neighbor made a fortune raising lettuce seed. Since the war the seed business has not been so good. The crops there are harvested largely by Japanese as it is impossible to get enough white help to do the work. Mr. Keechler says that the residents of San Benito County realize the menace which Jap labor really is to the state and that only on contract work can they be depended upon to make good. He says most of the large ranches hire Chinese foreman and they take charge of the gangs of Japanese who seem to work much better under the China bosses than under any other arrangement. Women work with their Japanese husbands in the fields and as soon as a son is born in California he acquires land. There are hundreds of these Japanese infant land owners throughout the state.

Mr. Keechler has a splendid water supply on his ranch and says that water is one of the greatest assets of San Benito County. He raises several crops of alfalfa a year and has made a decided success in the dairy business.

After enjoyig their visit in Sonoma Valley, Petaluma and at the State Fair, Sacramento, Mr. and Mrs. Keechler returned to their home at Hollister.

SCHIECK CASE DROPPED BY THE GRAND JURY

Disquieting rumors and criticism of failure to fasten the crime of Dave Schieck shooting on, whoever was guilty of the cowardly crime led to the Grand Jury's investigation of the case last week, although it had previously been threshed out before Judge Vaughn at Santa Rosa and all evidence on which a conviction might be likely had been gone into thoroughly by District Attorney Hoyle. Geo. Buzzine, the suspect was turned loose after the preliminary hearing, and the Grand Jury decided that there was nothing tangible or new in the case and dropped all further investigation when it adjourned Thursday of last week.

It is said that Dave Schieck and his wife may be reconciled, the proviso being that the Bennett Valley ranch shall no longer be the home of the couple.

GRAPE PICKING HAS STARTED IN THIS VALLEY

Attractive Prices and Arrangements To Crush Wine Grapes Makes Vintage Season of 1920 Good One.

Grape picking started this week in Sonoma Valley vineyards and with the attractive prices which have been offered for some months past for Eastern and San Francisco shipment and also for wine making purposes at local wineries the vintage season of 1920 looks very promising. Many growers had their grapes contracted for months ago, and just recently an Eastern buyer who offered as much as $100 per ton found few takers at that figure. Others were content to take the prices set by the Association which varied from $75 to $90 according to the variety and terms of sale. Still others report their grapes as yet unpledged and they are holding out for as high as $140 per ton.

The 1920 crop while not as heavy as in some years past is fairly good and wine grapes will be in as great a demand as ever at prices better than prior to the enactment of the Eighteenth Amendment. Local wineries are prepared to crush thousands of gallons of wine for non beverage purposes and hold permits to make and ship sacramental and medicinal wines.

There has been a marked demand for land in bearing vineyard and several important transfers in this class of Sonoma Valley realty have been recorded the past year. Among the changes which mark the 1920 vintage season is the passing of ownership of the famous Gundlach-Bundschu vineyards near Vineburg from the pioneer families long identified with the viticultural history of California. The Gundlach-Bundschu Company disposed of their splendid acreage to the Coops family some months ago. It is said that the uncertainty of the future and the treatment accorded these makers and growers of some of California's choicest vintage by autocratic "drys" and their legislative policies disheartened the firm which for generations had devoted itself to the vineyard industry.

CHIEF OF POLICE, ALBERTSON TO HANG IT ON

Chief of Police Alberston, Sonoma's vigilant town Marshal has found a way at last to hang it on the speed fiend and his ilk who for years past have sped by him with contemptuous eye. Jim is determined to stop the practice of fast driving, careless parking, the cut-out nusiance and other evidence of speed dementia. The city has had tags printed which the Chief will hang on the car of every law violator he can catch, and those he can succeed in stopping with his whistle, for let it be known that our Marshal is provided with a shrill clarion call designed to halt traffic no matter haw tempestuous. Once tagged, they will have to appear before the Justice of the Peace and the stern magistrate of the law will do the rest.

The only thing worrying Jim is that all fines will go to the State as Sonoma has no "audience" under which the municipality can collect for motor law violations. The only hope is that Jim's interpretation of "disturbing the peace" as applicable to open cut-outs may stick and stick 'em.

SUPERVISORS CERTIFIED PRIMARY RETURNS ON SATURDAY LAST

Seawell and Thompson will be the two candidates on the ballot this November for the election of superior judges of Sonoma county. The board of supervisors, in certifying the primary returns Saturday, named only Seawell and Thompson and omitted the name of Denny.

While the election law will not permit that Seawell and Thompson be issued certificates of election, it is assured that they will occupy the two benches of the superior court of this county next year.

William King, successful supervisorial candidate in the fifth district, won by one vote over his two opponents, Oscar Charles and Bob Kee. He had just one more than the combined vote of his contestants.

Supervisor Weise will still be in the race but Lowell was certified as high man. Lau will not be in the race.

William Cunningham, incumbent supervisor from the third district, will be the only candidate at the November election, being certain of election.

The recall, directed against Geo. Hoyle, district attorney, failed by a vote of 5579 to 3304, according to the official figures certified by the supervisors.

Clarence F. Lea, received a plurality of 4577 votes over his nearest competitor, Euvelle Howard, of Lakeport, for the Republican nomination for Congress. The figures are based on the complete official returns from each county in the First Congressional District. The total vote for the district follows:

Lea	11,186
Howard	6,609
Selvage	5,186
Perry	1,544

BEET INDUSTRY SUCCESSFUL

For the past few weeks between 75 and 80 tons of sugar beets have been loaded daily on cars at Cotati from the Spreckles and other ranches for shipment to the sugar refinery at Crockett. The growing of sugar beets at Cotati started this season is said to have been very successful. It is a forerunner of a big industry in the county according to those who are interested in the business.

WHY NOT TAKE IN PETALUMA?

A proposal to annex surrounding suburbs to Santa Rosa, in order to increase the size and business standing of this city, will be proposed to the Chamber of Commerce this evening at a meeting to be held in the Chamber of Commerce rooms on 5th street.

This measure will be the first step of the Chamber of Commerce committee on civic betterment. It will mean, should it be adopted, and carried, that all the small, thickly settled sections about Santa Rosa would be added to the city limits and this would bring the population of this city well above the 12,000 mark.

To bring this annexation proposal to a successful climax it will be necessary to have the measure placed on the ballot this November. Sufficient time remains and it is believed that it is possible for the annexation to be accomplished.

AMATEUR CRACKSMEN ENTER N. W. P. DEPOT

The Northwestern depot here was entered Monday night by daring cracksmen and an attempt made to open the safe in the agent's office. The work was evidently that of amateurs, and they did not succeed in forcing the strong box. The cash drawer was rifled of pennies but nothing else was taken. Station Agent Harvey Perkins found some of the pennies scattered along the track. The thieves gained access through the ticket office window.

The same night, the Fochetti blacksmith shop was robbed of tools found near the depot job and it is presumed the amateur cracksmen used them in battering the front of the safe.

No arrests have been made although Deputy Sheriff Joe Ryan is investigating some likely suspects.

This action is brought and the object thereof is to determine the adverse claims to and clouds upon plaintiffs' title to the said real property hereinafter described, and to obtain the judgment of this court adjudging and decreeing that said plaintiffs are the owners in fee simple absolute and entitled to the possession and in the possession of the said real property described in plaintiffs' complaint herein, and that the said defendants and all other persons known or unknown, or any of them, have not, nor has either of them, any right, title, estate, lien, interest or right of possession in the real property described in the complaint, or any part thereof, and that they, and each of them, be forever barred from asserting any claim thereto. The said real property is situate, lying and being in the County of Sonoma, State of California, and is more particularly described as follows, to-wit:

EL VERANO LADY BREAKS ARM

Mrs. J. N. Dowdall, prominent El Verano matron and sister of the Kearney brothers had the misfortune to break her arm at the wrist while helping with the work in the Kearney hop fields this week. E. A. LAU THANKS HIS SUPPORTERS

I wish to tender my most hearty thanks to my many friends, for the loyal support you have given me in the primary election.

Although I have not attained the office I sought, I cherish no regrets. I only hope that our County Government, especially the road conditions in our first supervisorial district, will be speedily improved, otherwise I shall be tempted to again throw my hat in the ring four years from now.

Again thanking you, I am gratefully yours,

E. A. LAU
